CANCELLATION POLICY		Program fee is non-refundable However an alternate representative can be nominated if the registered participant is unable to attend.		
ENVIRONMENT POLICY		As we embark on developing business leaders and developing the capacity of institutions and individuals we would like to contribute to preserving the environment by practicing and promoting environmentally friendly measures. In this regard we have undertaken measures to reduce energy and consumption by using recycled and 'green' products. We also provide information to the participants of our programs on preservation of environment, environmental challenges and importance of sustainability reporting etc.
